## Try Home Folks FIRST!

The mail order house has nothing on us, if you treat us as you do the mail order house. If the goods you buy from me don't suit you can more easily return them. Seeing very often saves the trouble of returning. I carry

Shoes,  
Hardware,  
Clothing

and most things you need. My prices are no more than the mail order house; maybe less.

CHAS. W. SPENCER,

From a recent letter from T. H. Lowe we take the following: "I have been reading about the county fair and feel that Cumberland county has a great future. We think of making our future home with the good people of Tennessee. The west is all right for wages but the opportunities are becoming more limited every year." Mr. Lowe is working in a coal mine at McGill, Nevada, and is making splendid wages. He is a son of the late "Uncle Tom" Lowe and was raised in the third district of this county. Our people will be glad to welcome Mr. Lowe and wife back to the county any time.

A band for Crossville is now assured. Monday an order was sent for over \$250 worth of instruments and other orders will be placed so soon as it is fully known what is needed. Band practice has begun with F. G. Walton as band master. Mr. Walton is a splendid musician and has had almost a life time of practice in musical drilling, which assures our band folks of receiving capable instruction. The business men of the town have contributed generously thus far and doubtless will do more when needed. It is very gratifying to know that Crossville is to have a brass band that we fully believe will soon rank well with other bands of the state.

If you want to make that friend one of the most tasty and useful Christmas or birthday presents that can be secured for a small amount of money, you should call at the Chronicle office and see the beautiful monogram work the Chronicle Job Department does in correspondence cards, paper and envelopes. It is done in bronze blue, green or gold. Nothing in the correspondence line is neater or more tasty. You can have the printing done on the famous Crane's fancy stationery in two quire boxes, if you choose. Nothing can surpass a box of Crane's paper printed with the monogram composed of the initials of your friend, if a birthday or Christmas present is what you are seeking.

### AT THE MECCA.

I'm still having those good features on Mondays and Thursdays. You are missing something good if you don't come, and they last only about an hour and fifteen minutes.

On Wednesday night of next week, Nov. 24, I will have my feature, instead of Thursday night, on account of Thanksgiving show.

I have started a cash contest that will last sixty days, closing Jan. 11, 1916. This contest is for the young folks, grown ups and old people. Don't loaf on the job, but get busy and win yourself some money. All paying admission will receive one ticket. I will have three cash prizes. The person holding most tickets at end of 60 days, will receive \$7.50 in cash; one having second largest number will receive \$5.00 in cash; third largest number \$2.50 in cash. You are requested not to give tickets away inside of build-

ing, hold them, you many want in the contest yourself.

On Thanksgiving I'll have "From the Manger to the Cross," in five wonderful reels, the most beautiful and sublime biblical picture ever made. Photographed in the Holy Lands, amid the actual places where the great events really occurred. The entire production is pronounced by critics, by clergy, and by the press to be the grandest and most important film production ever seen. The characters are most beautifully sustained throughout and as the story is unfolded the beholder is forcibly impressed with the work of man's salvation when the Saviour was born.

The show on Thanksgiving will be complete both in afternoon and night, and will continue until all have seen it. I have also secured the services of an experienced moving picture piano player for that day, which will add greatly to the picture. Don't fail to see this great Bible story.

The show will start at 2:30 in the afternoon, on second continuous show starts at 7 p. m. All ministers and wives admitted free.

All children up to 5, 5c; 5 to 15, 10c; adults 15c.

A. E. Horn.
